LOCAL FOODS

One of the many services the dining halls provides to the college is its selection of local items. Ithaca Dining Services purchases foods from over 18 farms in New York, 16 of them local (local is defined as less than 150 miles from the location purchasing that item). Ithaca Dining Services spends roughly 10% of their total annual food budget on local purchasing alone.

New York Farms:

1. B+B Farms*, Freeville
2. Collegetown Bagels*, Ithaca
